

EASY INSTALLATION

1. Turn off water at mains, then turn tap handle to on position.
2. Undo tap. Ensure existing tap seat face is flat.
3. Cut a new tap seat thread & insert the screw-in tap seat using tools & instructions contained in the FIX-A-TAP refacing kit (Product #230133).
4. Replace body washer.
5. Reassemble tap, turn on water & check for leaks.
